BRITISH CHEESE

All Five Cheeses 16.00 | Any Three Cheeses 12.00 | A Smidgen of Cheese 5.75

Baron Bigod, Suffolk

A silky, oozing Brie-style cheese with citrus notes beneath a mushroomy rind. Handmade in small batches, it's a rare British example of true cow-to-cheese production — crafted entirely on the same farm.

Tor Goat's, Somerset (v)

Provides the classic goat's cheese tang with lemony brightness and a subtle peppery hint from its ash-dusted rind.

Cornish Blue, Cornwall (v)

An award-winning British blue cheese, buttery with gentle blue notes.

Yarlington, Gloucestershire

This soft and savoury washed-rind cheese is gently aged with Yarlington Mill cider. Its reddish rind brings deep, bold notes, giving way to a velvety, rich centre.

Isle of Mull Cheddar, Scotland

Matured for up to 16 months, this classic Scottish Farmhouse Cheddar is rich and full-flavoured, made at Sgriob-Ruadh Farm where 100% sustainable energy powers the entire cheese-making process.
